

VOLUNTEER HELP WANTED!

Our current secretary, Bettie Butek Valek '61, graciously became our TAA secretary in 7/2014 and committed to serve for five years. She has asked to step down as of 7/2019. Bettie has served us well. She indicated her replacement should live close to Thorp; Bettie lives by Lake Wissota and found that not convenient.

The person the TAA needs has a computer and those skills as well as good organizational skills, a good work ethic, the time and dedication to serve. Bettie has notes to follow to make the job easier. The secretary does not serve alone. Gerri Dudansky is our Assistant Secretary and handles many of the duties. The officers all work as a team.

Meetings are typically held monthly from February through June, with a wrap up meeting in July or August. They usually last under two hours. The dates are arranged to meet the officers' schedules.

Contact the TAA at thorpalumniassoc@gmail.com or call any of the officers listed here. Let us hear from you so we can discuss it.
