

THORP ALUMNI ASSOCIATION BEGINS WORK ON THEIR 44th ANNUAL REUNION

The date has been changed from what was originally announced! The new date for this annual reunion is Saturday, June 30, 2018. Put it on your calendar now and plan to be there.

Beginning in 2019, the TAA has a standing reservation with the Quonset to hold our reunion there the Saturday of the last full weekend in June. (That means the last weekend there is a Saturday and Sunday in June.)

It's time to begin planning for the 44th annual reunion of the Thorp High School Alumni Association which will be held on Saturday, June 30, 2018 at the Quonset Hall. All graduates as well as attendees of Thorp High School are alumni and are encouraged to attend.

This year we will be honoring the class of 1943 which is celebrating the 75th anniversary of their graduation. Special tables will be set up for their class. Any other classes or groups which want special seating should make their request by contacting the TAA directly or on their invitations when they submit it.

Invitations will be sent to the alumni of the 2008 class and years prior about April 1. All others may print the invitation from the TAA website which will be added about April 15.

Any classes planning their own reunions may contact the TAA for their class list. We ask that after any class holds its own reunion that you furnish the TAA with an updated class list so that we may correct our records. A sincere thanks to those who shared that information with the TAA in the past.

If your class is holding its own reunion, let us know when, where, and a contact person. We will include the information in our publicity. If your class doesn't want to plan its own reunion party, consider using the TAA dinner as your starting point. You may want to continue your reunion later that evening (or earlier that afternoon) at a park, any city establishment, or a local classmate's home.
